Testimonials

Nicolas L.

Hosted my wedding, great venue. Adam and every single staff member did everything possible to help organise and make the day the best! Very Happy with the pricing. Strongly Recommend!

Jim and Paula

Paula and I had our wedding there August 3rd 2024 and couldn't be more pleased with the service from Timber Run throughout all stages of planning our wedding.

We were intrigued with the pictures on their website but after our tour we couldn't believe how beautiful the venue was.

Brigid & Adam went above and beyond our expectations to make sure that everything ran smoothly. We felt confident that we didn't have to worry about anything and were free to just enjoy our day. They even cooled the seats of the outside chairs with ice bags for our guests' comfort ... Like WHO DOES THAT!!!!????

MOST of our guests commented that the food was the best that they had ever had at a wedding. BIG shout out to the kitchen and wait staff for their efforts.

We were very pleased with the coordination/communications that Timber Run had with our other service providers like DJ, officiant and photographer.

We HIGHLY recommend Timber Run for your wedding venue without reservation.
